

THIS IS ROTARY INTERNATIONAL

Rotary is a global organization over a century in the making. It consists of business and professional men and women united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and work toward greater understanding and world peace. Belonging to a Rotary Club gives members an organized outlet for contributing to their communities as well as a special orientation to the world in which we live.

Founded in 1905 by business leaders who believed in the ideal of community service -

Service Above Self -

Rotary was the world's first association of service clubs. Today Rotary International has a global network of 1.2 million members in more than 33,000 clubs in 160 countries.

The Rotary 4-way Test
of things we think, say and do.
Ask yourself...

- ⦿ Is it the truth?
- ⦿ Is it fair to all concerned?
- ⦿ Will it build good will and better friendships?
- ⦿ Will it be beneficial to all concerned?

The principal motto of Rotary International is "Service Above Self." The Rotary Club of Charleston has a proven track record of providing service to the Charleston community. Rotary also provides forums to serve our state, our nation and the world. Service comes in the form of projects, member donations and investments made by our own Charleston Rotary Fund. Whether it's providing support to Charleston County public schools, funding local charities like the Lowcountry Food Bank or delivering life-saving potable water to developing countries, the Rotary Club of Charleston lives up to our motto,

SERVICE ABOVE SELF

The Rotary Club of Charleston has a long and rich history of service in the Charleston Region. The club was founded in 1920; the inaugural Rotary Club in the Charleston, SC, region. The club has been responsible for all kinds of good work including founding the area's first Boy Scouts of America Council, the Trident (now Coastal) Community Foundation and most of the other Rotary clubs in our three county region.

The club's Tuesday luncheon meetings feature interesting programs and notable speakers which provide Rotary's unique perspective on our community. In order to experience that perspective – to be connected to the community in a special way with opportunities to give back – consider applying to join the Rotary Club of Charleston.
